Holloway's Pills and Ointment - Guard against Imposiure.—To do this, look well for the water-mark, "Holloway, New York and London," which exists in every leaf of the book of directions enveloping the medicines. This trade mark is manufactured in the paper itself, and is discernible on being held up to the light. Mortification annot ensue where Holloway's Cintment is applied in time to a -wound, sore or ul-eer. By preventing inflammation, it pre-vents pain. For indigestion, liver complaint, and disorders of the bowels, the Pills are a sure remedy.
